INSHORE REPORT

Report from the Inshore Crew. One trip since last meeting on 1st 2nd June. Species was mystery and **Tailor** came out of the hat. There were some good results and also some good mixed catches. Wayne McDermid was third with 86 points, Wally was second with 110 points with a nice bonus Bream. Well done Wal! Species winner was Barry Lewis. There were two species prizes kindly donated by Darryl Pattermore and Wal Nannes. Overall points winner for the trip was Barry Lewis with a total of 160 points. Well done Barry with your first Mug for the year. Barry also had amongst his catch a ripper of a flathead of 2.29kg which is leading the board. That's going to give us all something to catch.

Nicholas Flynn (Junior) weighed in a nice Squire also. Well done Nicholas you're showing the old man how to do it. Those long nights are maybe starting to pay off.

Next trip is on Friday/Saturday 29/30th June. As per usual Friday 5.00 p.m. weigh out, 11.00 a.m. weigh in on Saturday. Species is Squire, back-up Luderick. Don't forget to nominate to Steve Collins by Thursday at the latest. Thanks to all the helpers at the Challenge for the Raffles with a huge thank you to Bill Withers. Without support like that it makes my job a lot harder. Thanks again Bill.

Paul.
