NEWSLETTER CHRISTMAS 2007

Just thought we'd send a quick newsletter to round off the year.

In the previous news letter we had final reports from the president of 2007 (The Bone - (Tony Ross), offshore captain (Paul Scott), inshore captain (Paul Flynn). Suffice to say all these retiring fellows have done an excellent job this year and we thank them for all their hard work.

We look forward to hearing from the new president and captains in 2008.

The trophy night was a roaring success with an excellent roll-up with many members receiving trophies. Congratulations to the new champions!

Jason and his band provided wonderful entertainment and Roy made sure the catering was superb.

A special mention of thanks to Wal Ninnes for organising the challenge this year and agreeing to do it again in 2008. A special thanks too to Don Miller for his secretarial work and Joe Feher (who is also stepping down as treasurer) for his scrupulous management of financial affairs. We welcome the new committee who are listed below. Brett Ashcroft has taken up the president job again after a one year break. Thanks Brett.

Liz and I will continue to produce the newsletter in 2008 which will be emailed to all members with email addresses. Those not having that luxury will be posted newsletters – please let us know if you are not on our snail mail list. From the editorial team we wish everyone a merry Christmas and happy new year and look forward to a productive 2008.
